25X1

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 12 July 1978

25X1   1. [   ] LIAISON Called Dan Childs,
Senate Select Committee on Intelligence staff, and set up
the briefing he had previously requested on covert action for
25X1 Monday, 17 July, at 2:00 p.m. [   ]
both of CA/DDO, and Don Gregg, C/PCS/LOC, will attend.

25X1   2. [   ] LIAISON Received a call from
Ed Levine, Senate Select Committee on Intelligence staff,
on the secure line. Levine gave me a list of issues the
Committee would like addressed in the presentation on the
"spy war" before the full Committee. The date for the
presentation is unclear. Levine also asked me two questions
25X1 about the [   ] case.

25X1   ✓3. [   ] LIAISON Called Leonard Weiss,
Staff Director, Senate Governmental Affairs Subcommittee on
Energy, Nuclear Proliferation and Federal Services, to inform
him we could find no indication that there was any truth to
the story in the New York Times magazine that former counter-
intelligence staff director James Angleton had passed nuclear
technology to the Israelis. I told Weiss that this was based
on two factors. First, I had contacted all appropriate
people here and no one had any knowledge of this and second,
Angleton would have had no access to this information as
chief of counterintelligence staff. Weiss seemed somewhat
skeptical but accepted this response. I also offered Weiss
a briefing on a late 1950s accident at a Soviet nuclear
installation. The briefing had been requested some months
ago but was held up until Weiss could get the appropriate
clearances, which he now has. Weiss said he would see if
Senator John Glenn (D., Ohio) wanted to be briefed on this
subject and would get back to me.

25X1   4. [   ] LIAISON Received a call
from Bill Miller, Staff Director, Senate Select Committee on
Intelligence, requesting a change in the briefing of the
Committee on the "spy war" from 13 July to 14 July.
